

New Town Primary School Newsletter

Newsletter no. 132

16th June 2017

Dear Parents & Carers,

We had bright sunshine and lots of smiles for our first and second sports events this week, which were enjoyed by many parents and children too. Please see overleaf for the remaining dates for parents to come in to watch our Olympians do their very best in the athletics event, and for some lovely pictures of their sports so far. It was fantastic to have so much encouragement from the side-lines, and I am very pleased to report the children behaved beautifully and demonstrated great sportsmanship throughout.

Yours sincerely,

Miss P. Cornish
Head of School

Key Stage One
