

# New Town Primary School Newsletter

Newsletter no. 156

23rd March 2018

Dear Parents and Carers,

Our spring term is coming to an end. It has been a very busy, but productive term. Every member of our school family has worked hard and we know that you will have seen evidence of this in books and through discussion at Parents Evening. (Any outstanding appointments will be accommodated next term).

Thank you for attending, we are so proud to be building such a wonderful New Town Family and having our parents/carers as partners is key to this. Next term will be just as busy with lots of things to look forward to and many ways that you can get involved. Please keep reading the newsletter for more details of volunteering in school and news of upcoming events.

Today we close our doors for the Easter Break—please take the next two weeks to enjoy time with your families, hopefully the sun will shine! We look forward to welcoming you all back on Tuesday 10th April in full and correct school uniform., ready to learn!

Mrs P. Cornish & Ms M. Parsons

# Dinosaur adventures

This term Parrot Class have been learning all about dinosaurs. We have learnt the names of lots of dinosaurs and we can

even say them out loud now! (They are very tricky words to say). We have also been investigating fossils, dinosaur eggs and we have been inventing our own dinosaurs. What a fantastic term it has been.
