Required January 2022

Due to a member of staff retiring, we are looking for an Early Years Practitioner to help develop and implement the Early Years Framework at New Town Primary. The post will be working within Foundation Stage to actively engage pupils with their learning, ensuring they access a broad and balanced curriculum and supporting those with additional needs. You will act as a key person to help motivate and inspire children to learn, whilst working as part of a team.

Joining our school family means you'll need to be:

- An enthusiastic member of staff who is forward thinking and able to adapt quickly and easily
- Someone who puts children at the heart of all planning and practice
- A team player with the ability to work well both individually, as part of a phase and as a whole staff
- A kind and caring person, enjoying the bustling life of our diverse school family and always looking to recognise our polite and kind children
- Efficient and effective in your working practices and able to prioritise well

In return, our team can offer:

- An optimistic and close-knit senior leadership team with a track record of improving schools
- A firmly established ethos of caring for one another in our school family
- A strong middle leadership team who will guide and nurture you through your role
- A beautiful Victorian school with an abundance of space and opportunity, filled with light, life and love
- Secure car parking and a staff well-being package

Visits to the school may be possible depending on local restrictions, and prospective candidates are warmly welcomed to book a preliminary phone call or Teams call before they apply, should they like to discuss the role or school further with the Headteacher.
