Skills to learn

I take turns in conversations

I can go up and down stairs and use apparatus with alternate feet

Keep on trying when things are difficult

I can cut accurately leaving clear shapes with curves

Number and operations

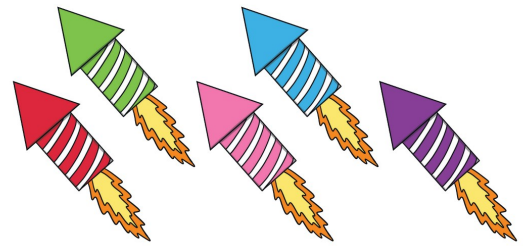

Five Little Rockets Standing in a Row

(Sung to the tune of 'Ten Green Bottles', with an additional spoken sentence.)

Five little rockets standing in a row,
Five little rockets standing in a row,
When one little rocket decides it's time to go,
Five, four, three, two, one, blast off!
There'll be four little rockets standing in a row.

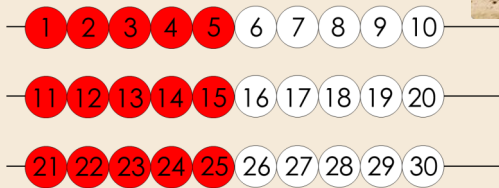

Four little rockets...
Three little rockets...
Two little rockets...
One little rocket...

I can link a number symbol with a number value
