Re Changes to uniform and uniform supplier

Dear Parents and Carers,

As you may be aware, after a period of consultation with parents, governors and pupils, New Town Primary School is making some changes to the school uniform from September 2019.

Polo shirts for FS2 to Year 6 will change from white to purple. For the rest of this academic year pupils will be able to wear either the white or purple polo shirts. *Purple polo shirts will be compulsory from September 2019.*

We would also like to suggest that white polo shirts with the school logo are used for P.E. going forward and these can be purchased from the office at a reduced cost of £5.

During this time, we have also taken the opportunity to **review our uniform supplier**. Going forward school uniform with our logo can be purchased from www.myclothing.com. Purchases made online will be delivered directly to you within 14 days and the school will also benefit from a 5% donation which we can use to further benefit the pupils. **New Town Primary will no longer stock uniform for purchase**, though we still do have some sizes of sweatshirts and white polo shirts in stock which can be purchased direct from the school office. www.myclothing.com will stock the following items:

- Bottle green round neck sweatshirt
- Bottle green v neck sweat cardigan
- Purple polo shirt
- Reversible fleece jacket
- Book bag
- P.E. Bag
- Non logo, grey school trousers, skirt and dress

Depending on the age of the item, we appreciate that there are slight variations of the school logo featured. These are all acceptable.

We hope that you like the changes we have made to the uniform here at New Town and that we will continue to see as many pupils as possible wearing the uniform with pride.

Yours sincerely,

Miss P. Cornish
